

2019 Furniture, Equipment and Sundry Allowances

(CGP and SCAS Capital Projects)

NOTE 1- Any locality allowances will be applied automatically and calculated throughout the application process.

NOTE 2- Furniture and equipment costs are allowances only and not intended as an amount to fully complete the requirements of a functional space.

NOTE 3- QIS BGA acknowledges the transition which independent schools are making towards the delivery of the Australian Curriculum, as well as the new and redeveloped Queensland senior syllabuses, and that facilities will reflect updated curriculum delivery models into the future.
