

Allocation of Client Portal Roles

Terms and Conditions

On being assigned as a user of the Enquire grant management system (GMS) Client Portal for a school's business account, it is a requirement that the user reads the available terms and conditions carefully and makes contact with the QIS BGA office on (07) 3839 2142 or bgaoffice@bga.qld.edu.au should any clarification be required.

The terms and conditions govern the use of the GMS. Client Portal users should be aware that they enter into these terms both personally and as an agent for the Approved Authority which legally operates the school which they represent.

Types of Access

Users enter the Client Portal in one of two modes; either as a *Standard User* or an *Account Administrator*. Once active, the Account Administrator has the permissions required to allocate a user to the *Key Contact* role or as an *Accountable Officer*, dependent on the school or Approved Authorities business requirements.

IMPORTANT- Note that there may only be ONE Key Contact per school business account. However, multiple users may be assigned to all other roles by the Account Administrator. Table 1 demonstrates the capabilities of each Client Portal user role.

TABLE 1- CLIENT PORTAL USER ROLES

CAPABILITIES	USERS			
	Account Admin.	Standard User	Key Contact	Acc. Officer
Access and submit applications and support materials within school's business account	X	X	X	X
