

Recognition of Government Assistance

Australian Government Capital Grants Program (CGP)- Master Plan Grants

***IMPORTANT-**

1. The requirements outlined below are in relation to recognition of capital assistance where a school in receipt of a Master Plan Grant.
2. Note that, where any other CGP grant exists for capital expenditure on educational facilities, further recognition requirements will apply. Refer to the QIS BGA website (www.bga.qld.edu.au) for additional information relating to additional the recognition requirements of the Australian Government.

Recognition Requirements for Master Plan Grants

Schools receiving funds through CGP for master planning purposes are required to:

- Ensure that school communities are advised directly about the financial assistance received from the Australian Government, by such means as school newsletters and school-based social media and websites.
- Acknowledge the Australian Government's contribution to the master planning process undertaken by the school and its community in opening ceremonies for capital projects supported by the completion of the Master Plan.
